

RAY OF HOPE SPONSORSHIP

Sunday, November 2, 2025
Orion Amphitheater

Every day of the year, AshaKiran supports Huntsville's diverse population through their hardest moments: domestic violence, sexual assault, and human trafficking.

The barriers to care experienced by foreign-born residents, non-English speakers, and other underserved communities are the exact same characteristics that make Huntsville such a beautifully diverse place to live.

This deserves to be celebrated.

And celebrate we will!

AshaKiran will host its 19th annual Ray of Hope event on Sunday, November 2, 2025 to celebrate the diversity of Huntsville. But this free, family-friendly event is more than just a celebration – it's a powerful initiative that supports AshaKiran's crucial mission.

Can you help us?

Your support will help AshaKiran host this event with:

- Cultural dance
- International performances
- Global cuisine
- Community resources
- Connections and networking

And ultimately, allow AshaKiran to provide:

- 1,998 nights of rest
- Guidance to 874 hotline callers
- Crisis services to more than 733 clients.

With gratitude,
