# A RAY OF HOPE 2024

## Fighting Abused, Oppressed and Trafficked Women

May 25, 2024

Dear Friend,

Our community needs your help! Within our state, numerous oppressed and abused individuals are unable to get assistance from public services because they are either too scared or unaware of how to access those resources.

When established community support services can't help, Ray of Hope does! Please join us at AshaKiran Foundation's annual "A Ray of Hope" cultural event to bring light to another individual's darkness.

Please help us continue this tradition of success at the **18th Annual "A Ray of Hope" on Sunday, November 3, 2024, at 1:00 p.m.** [Ray of Hope Sponsorship](#) to donate now!!!
